ABOUT ANGELITOS DE ORO

Angelitos de Oro is an auxiliary of Big Brothers Big Sisters of Orange County and the Inland Empire. The auxiliary has raised more than \$8 million to support the nonprofit's youth mentoring programs.

Big Brothers Big Sisters of Orange County and the Inland Empire creates and supports one-to-one mentoring relationships that ignite the power and promise of youth. Its mentoring model was created on the premise of youth equity and empowerment, designed to meet kids where they are and help them develop the skills to transform their lives and their communities. With a mentor, youth are able to build emotional intelligence and social capital necessary to reach educational milestones, set postsecondary plans and become part of a self-sufficient workforce with the potential to change the world.
